Visit lesser known, harder to find caves in Northern Spain

The Cave Art Tour from Northern Exposure Spain provides a first hand, deeper understanding of Europe's first art.

Stand next to Europe's oldest art possibly created by Neanderthals

We are based in Cantabria, at the heart of Northern Spain's UNESCO World Heritage Cave Art and Green Spain.

Our small group (8 or less) itineraries are entirely customizable, personal and unique, and capture the essence of Northern Spain.

Connect with the intelligence of your ancestors as you admire their attention to detail and grasp of perspective

Our extensive knowledge of the caves in Northern Spain enables us to put together the best tour based on your group's ability.

We provide transportation, make the best recommendations for accommodation based on your preferences, and carefully consider all of your interests to plan an unforgettable stay.

Enjoy Northern Spain's wonderful food/wine, nature, culture & history
