\*About SOHO – Located in the Borough of Manhattan, SoHo is a blended word formed from the words "South" and "Houston" (referring to Houston Street). SoHo is south of Houston Street (pronounced How-ston) and is bound by Lafayette Street to the east, by Canal Street to the south and by the Hudson River to the west. SoHo represents one of the most desirable luxury neighborhoods in NYC and is home to a great number of Millionaires, Celebrities and affluent EcoClientele.

According to one livability study:

They graded SOHO an F for its high cost of living because the average housing value there is \$980,000. This is exactly why we at [EcoLuxey™](http://EcoLuxey.com), grade it an A+. In addition to the Million Dollar residences, it is also home to a high number of affluent, high-end Clientele.
