Ohio Christian University Selects and Implements Edvance360 LMS-SN

Ohio Christian University, with locations in Ohio and Georgia, migrates from Blackboard™ to Edvance360 LMS-SN™.

(Virginia Beach, VA) Edvance360, a leading provider of eLearning services and software solutions, announced that Ohio Christian University left Blackboard™ to join the growing Edvance360 LMS-SN community of users.

> "There were several key factors that influenced our decision to seek out a new LMS. Primarily, we were seeking an intuitive system that provided faculty and students with a learning environment that facilitated learning as opposed to creating a barrier to learning. Edvance360 provides an easy to use and intuitive user interface. We also sought to create a sense of community within the LMS. Edvance360 provides the features we need to assist in building community. Other factors included integration with our Student Information System, affordability, and the ability to migrate existing courses into Edvance360. Edvance360 made it possible for us to accomplish these objectives. Edvance360 has been praised by our students and faculty as a big step forward."
> *- Ryan Whisler, Assistant Vice President for Information Technology*

About Ohio Christian University
Ohio Christian University is committed to offering a complete education that develops students intellectually, professionally, and spiritually. OCU offers degree programs for traditional undergraduate students, graduate students, adult, and online students. Additionally, OCU's Trailblazer Academy allows high school students to complete college classes. All programs are designed to equip students to become leaders in their careers, communities, families, and the world.

OCU was founded in 1948 as Circleville Bible College for the purpose of educating clergy for the Churches of Christ in Christian Union. While remaining true to its founders' vision, Ohio Christian University has expanded its outreach by becoming accredited by the Higher Learning Commission of North Central Association and the Association of Biblical Higher Education. OCU has added associate, bachelor, and master's degree programs in disciplines such as agribusiness, business administration, disaster management, psychology, and substance abuse counseling.

Ohio Christian University's main campus is located in Circleville, Ohio. Students enrolled in the traditional undergraduate program attend classes and reside on campus in Circleville, Ohio. The adult degree program offers several campus locations in the surrounding region, the state of Georgia, as well as online options.
