Digiscribe Sponsors the Metropolitan Business Network's Annual Speaking Event
Speakers include the President of NBC Universal and Head Engineer of Facebook

Elmsford, New York – October 30, 2012 – [Digiscribe International](#), provider of document scanning services, document management solutions and workflow automation software throughout the New York Metro area today announces their continued support of the Metropolitan Business Network's annual speaker event. This year's event is entitled, "Communicating for Success in Business in a 3.0 World."

The panel includes:

- *Steve Capus* – President of NBC Universal
- *Francois Bennahmias* – CEO of Audemars Piguet
- *Serkan Piantino* – Head Engineer of Facebook (Manhattan)
- *Michael Pachter* – Equity Research

Geraldo Rivera will moderate the panel while former New York Football Giant and current MBN member, Tiki Barber, will make guest introductions.

"We are proud of our long history participating with the MBN through our sponsorship of their signature event. This year, over 250 attendees can look forward to learning more about the impact of social media and how businesses can best deliver information and interact with their target audiences in an increasingly opt-in culture," commented [Mitch Taube](#), president of Digiscribe who also serves on the MBN board of directors.

As an invitation only event, the speakers will enjoy an exclusive audience of C-level executives and senior managers. Past events have featured Edward Bastian, President of Delta Air and Corey Booker, Mayor of Newark.
