NEW PROVADE WEBINAR WITH HR.COM HIGHLIGHTS PRODUCTIVITY GAINS OF MOBILE VMS

MILWAUKEE, Oct. 29, 2012 – [Provade, Inc.](#), an industry leader in enterprise [Vendor Management System \(VMS\)](#) development for global contingent workforce spend management, announces their HR.com webinar focused on mobile VMS technology. [“Mobile VMS: Maximize the Efficiency and Productivity of Your HR Tasks”](#) will be hosted by Peter Parks, Vice President of Product Management, and take place on November 6, 2012 at 10:30 a.m. CST.

By implementing mobile line-of-business applications such as VMS, companies can achieve considerable productivity gains as employees perform various business functions from a phone or tablet. In this webinar, Parks will discuss how a mobile VMS makes HR teams more efficient and productive as they manage contingent labor, and how best to leverage a mobile system. He will also provide insight into what to look for when evaluating mobile VMS options.

As a founding employee with over 15 years of staffing, managed service provider (MSP) and VMS experience, Parks is responsible for Provade’s product roadmap, customer support and partner relations. He is also directly involved in sales, using interaction with prospective customers to drive future development.

To register for this complimentary one-hour webinar, please visit [HR.com](#).
