Poinsettia is a private, family run oasis, where you have your own space, your own front door and a private pool and roof top terrace for guests to relax and enjoy the sunset in a lush tropical setting by the sea.

A Great Place to Come Home To

Poinsettia resort consists of seven individual and tastefully furnished cosy apartment villas, each with private entrance. Centrally located on a hill top overlooking Vigie Cove, it offers a panoramic view of the Caribbean sea.

Strategically Located

It's right by the local Vigie airport and great for island hopping trips. Close to the Vigie beach, the shallow draft marina in Ganters Bay across from the Coal Pot Restaurant and the Mango Moon fitness center. Not far from the supermarket in Gablewoods Mall and Castries town with its farmers market, boutiques, restaurants, banks and business centers.

The view from the sunset terrace, overlooking the marina and ocean at Vigie bay, is spectacular. At sunset the mood is magical.
