MVP Systems Software Renews its Gold Level Status in Oracle PartnerNetwork

30 October 2012 – MVP Systems Software, Inc., a leading provider of enterprise job scheduling and workload automation software, today announced that it has renewed its Gold Partner status in Oracle PartnerNetwork (OPN). By attaining Gold Level membership, Oracle has recognized MVP Systems Software for its commitment to establish Oracle related knowledge in delivering a reliable and powerful solution around Oracle technologies and other business applications and systems and for addressing the challenges of mutual customers.

“The Oracle PartnerNetwork Program has provided invaluable insight and expertise on the unique requirements of the Oracle E-Business Suite users,” said Harry Reisenleiter, VP at MVP. “Our participation in OPN underscores our continued support of the Oracle user community and our commitment to working with leading providers of ERP solutions.”

With its Gold status, MVP Systems Software receives the benefit of being able to start developing specializations that will allow them to grow their business, increase their expertise, reach higher levels of customer retention, and create differentiation in the marketplace. Gold members also become eligible to resell Oracle Technology products and can apply to resell Oracle Applications and Industry Solutions. In addition, they receive access to Oracle account representatives and My Oracle Support updates for products, discounts on training, limited free assessment/exam vouchers, reduced rates on the purchase of Oracle licenses for internal use, discounts on advanced customer services and more. For more information about the benefits of becoming an OPN Gold level partner, please visit: <http://www.oracle.com/us/partnerships/index.htm>

About JAMS

JAMS is the only job scheduling system built on a .NET framework and is the first enterprise job scheduling system that can be leveraged by both IT Operations Personnel and Application Developers. With its roots in Windows, JAMS also supports running processes across a variety of operating systems (UNIX, Linux, System i, OpenVMS, etc.) and applications (PeopleSoft, SAP, SQL, Oracle, Symitar, Ecometry, etc.) To learn more about JAMS, please visit www.JAMSScheduler.com or call 800-261-JAMS.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) Specialized is the latest version of Oracle's partner program that provides partners with tools to better develop, sell and implement Oracle solutions. OPN Specialized offers resources to train and support specialized knowledge of Oracle products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to differentiate through Specializations. Specializations are achieved through competency development, business results, expertise and proven success. To find out more visit <http://www.oracle.com/partners>.
