

Where kids read and play

PLAYTALES Boiler Plate

PlayTales is a wholly-owned subsidiary of Genera Interactive, an internationally based multi-platform mobile entertainment and utilities provider with offices in USA, UK, Spain, Romania, and China. Founded in 2010, PlayTales develops and distributes interactive playable storybooks for children within the world's leading children's bookstore. PlayTales applications can be downloaded through the iTunes App Store, Google Play, Amazon.com, Blackberry App World, Intel App Up, and Verizon V-Cast. To contact the PlayTales staff please send an email to info@playtalesbooks.com or visit our website www.playtalesbooks.com.
