

Profit Share for Technology™ - Enterprise Edition

Receive up to \$200K in ongoing incentives to cover
yearly licensing costs*

Technology distributors receive “bonus” incentives of up to 20% or more when introducing new customers to a manufacturers data security solutions. These incentives are *on top of typical* margins. As policy, Sagient passes these incentives back through to our customers – immediately reducing initial purchasing costs by potentially tens of thousands of dollars.

Once a client, our *Profit Share for Technology™ - Enterprise Edition*, continues to work for you!

Now, Enterprise clients will receive up to \$200,000 in ongoing incentives to help defray the costs of yearly licensing fees.*

- **An ongoing incentive rate** will be calculated and applied to each yearly renewal of your license for up to 5 years and/or \$200,000 - Lowering your recurring costs well below direct pricing.
- **This is only available through Sagient Technologies.** As part of our *Profit Share for Technology™* program, we made a promise to “give back” to our clients for their continued loyalty. This Enterprise program is a direct result of *Profit Share’s* unbelievable success.
- **You must contact us prior to 3-31-2013** to participate with a purchase made in 2013.

Simply contact us or fill out the form at www.SagientTech.com to learn more. As always, we provide you a no commitment, no obligation, no pressure environment. Sagient Technologies works for you when researching, evaluating, and purchasing certain security solution technologies. **You must contact Sagient Technologies first to realize the full potential of the program!**

*Sagient MUST be able to register your organization FIRST with the manufacturer of the product. Previously working with another distributor/reseller or the manufacturer direct may result in a forfeiture of incentives. Having Sagient register your organization with a manufacturer does not obligate a purchase through Sagient Technologies, Inc. Profit Share for Technology incentives may not be transferred and have no monetary value outside of a purchase from Sagient Technologies, Inc. Profit Share credits cannot be redeemed as cash. Program incentive rates will be calculated based on product purchased and will only be applied to license renewals, not hardware or additional solutions purchased. Program may be terminated at anytime by Sagient Technologies, Inc., with or without notification and for any reason. Contact us at 866-258-9087 or sales@sagienttech.com for more information.
