About Us

Re-Employing America, LLC, (REA), a woman-owned company, was founded by Johnnie Booker, a former corporate executive, to bring together major corporations, governmental agencies, small businesses and other organizations with veterans, military families, women, minorities, the unemployed and underemployed. The goal of Re-Employing America, LLC is to match qualified candidates with employment opportunities. REA is working with a global human capital solutions firm to identify and target qualified candidates.

This career fair will attract approximately 1,500 to 2,000 professional candidates in a variety of areas, which include but are not limited to: administration, human resources, sales, marketing, logistics, procurement, supply chain, healthcare, finance, engineering, and technology.

Top 5 Reasons You Are Needed on November 16th:

1. Provide employment opportunities for the underemployed and unemployed.
2. Reduce your traditional recruiting and talent acquisition costs.
3. Meet and interact with a large pool of qualified professional candidates.
4. Meet and match qualified candidates with your employment needs and business requirements.
5. Reinvest in the success of America by supporting the growth of our economy.
