

Mountain Insurance Brokers Expands Insurance Products and Services to Colorado Business Owners for Business Succession, Key Man Insurance and Business Expense Insurance.

Mountain Insurance Brokers of Colorado now provides insurance quotes for Business Life Insurance like Key Man Insurance, Business Succession Policies, and Business Disability Insurance Quotes for Key Persons and Overhead Expenses.

Mountain Insurance Brokers has expanded their suite of Insurance Products to include providing competitive quotes for [Business Life Insurance](#) and [Business Disability Insurance](#) for Colorado business owners and employers.

Mountain Insurance Broker's Business Insurance services can be broken down into Key Man Life and Disability Insurance, Business Expense Insurance and Business Succession Insurance.

Key Man Insurance

Every Colorado business has a Key Man or a select group of Key Employees that are vital for profit and operation of the business. Key Man Life Insurance is a policy that a business has on its key people to protect the business from the financial devastation occurring from their deaths. These [Key Man Life Insurance](#) and [Key Person Disability Insurance](#) policies will brace the finances of the business to allow for lines of credit or replacement costs.

Business Expense Insurance

[Business Overhead Expense Insurance](#) (BOE Insurance) provides protection for Colorado business employers by financially covering essential operating expenses while the owner is not working due to an illness or an injury. This type of Colorado disability insurance reimburses the business for expenses that are vital to keep the business running smoothly.

Business Succession and Continuation Insurance

Setting up legal insurance plan for business succession and continuation is an easy way to ensure continued funding during the event of death of a business owner or partner. [Business Succession Life Insurance](#) benefits create liquid funds to brace against the sometimes negative effect on business funds. A business life insurance policy, particularly a cash value life insurance policy, can allow for the needed financial liquidity when it is required to buy-out the partner's share of the company. Business Succession Life Insurance includes Buy-Sell Life Insurance, Buy-Sell Agreements include Cross Purchase Agreements and Entity Buy-Sell Agreements.

Including the new Insurance products mentioned above, the Insurance services provided by Colorado based Mountain Insurance Brokers includes quotes for Personal Life Insurance, Individual and Group Health Insurance, Homeowners Insurance, Business and Commercial Insurance, Auto Insurance, Contractors Insurance, Restaurant Insurance, HOA, Condo, and Apartment Insurance, Commercial Property Insurance, Automotive Services Insurance, Bond Insurance, E & O Professional Liability Insurance, and Workers Comp Insurance.

Mountain Insurance Brokers has insurance agents spread across Colorado in the following locations: Denver, Aspen, Aurora, Englewood, La Junta, Longmont, Montrose and Salida. The reach from the offices of these

local Colorado insurance agents effectively gives Mountain Insurance Brokers a complete saturation across Colorado. This helps Individuals and Businesses a uniform suite of Colorado insurance quotes to cover their every need.
