SCOTTSDALE RESORT NAMED AMONG BEST IN THE WEST BY INTERNATIONAL MAGAZINE

Well-equipped meeting spaces, impeccable guest services among qualifications for honor

Scottsdale, AZ – The [JW Marriott Scottsdale Camelback Inn Resort & Spa](#) is where the West was won – at least according to readers of an internationally distributed meeting planning resource.

[Meetings Focus](#) magazine has named the Scottsdale resort as one of its Best in the West properties, paying tribute to the JW Marriott’s commitment to provide guests with luxurious and flexible areas to eat, drink, work, socialize and sleep. Readers of the publication rated hotels on the quality of their

meeting spaces; guest rooms; guest services and amenities; food and beverage services; high-tech services and equipment; recreational facilities and activities; efficiency and helpfulness of staff; and overall value and experience.

The Camelback resort sets itself apart from other Scottsdale event venues with 20 rooms boasting 40,000 square feet of flexible meeting space. The resort and spa Scottsdale welcomes everything from large conventions of 2,100-plus attendees to more intimate board meetings with 20 or fewer guests. Its largest room, the [Arizona Ballroom](#), features a grand foyer with floor-to-ceiling windows, a welcoming registration desk and lavish patio. Guests will have ample room in the foyer to mingle during pre- or post-function activities while enjoying spectacular views of the Scottsdale luxury hotel’s gorgeous landscape beneath Camelback Mountain.

All spaces within the hotel’s Scottsdale conference facilities boast state-of-the-art audio and visual equipment, Wi-Fi and high-speed Internet along with full-service technical support to help make all presentations engaging and successful. Certified event planners are also available to plan menus for engaging lunches, grand galas or light snacks.

After hours of strategic planning, meeting-goers will want to focus on rest and relaxation by booking a one-hour Swedish massage or affordable body scrub at The Spa at Camelback Inn or taking advantage of the Scottsdale spa resort’s world-class amenities such as Turkish steam baths, Finnish saunas, private whirlpools and state-of-the-art fitness center.

The opulence of the private spa sanctuary spills over into the Scottsdale luxury resort's 427 Pueblo-style casita [quest rooms](#) and 26 suites with private patios and breathtaking views of Paradise Valley. Luxurious bedding featuring down comforters, designer duvets, cotton-rich linens and plush pillows will lull travelers into a sound sleep, while other high-end amenities including mini-bars, microwaves, in-room coffee and tea makers, comfy robes and slippers and bathrooms with separate showers and tubs will impress and satisfy.
