Common People Services

# ■ ■ ■ The Online Playing Field is Not Level for Local Businesses

Shipping orders just don't do it for local businesses... pickup, delivery, and service orders are neglected online!

■ ■ ■ Let's more than just level it, shall we?

# ■ ■ ■ What SharedMall Enables

- 24/7 local order capability
  - Dedicated store URL on SharedMall
  - Search and ordering on current websites
  - Logo & banner display on product pages
  - Fully automated appointment scheduler
  - Built-in calendar showing schedule of orders
  - Time-sensitive inventory management
  - Automated invoicing for orders placed
  - Online coupon and discount management
  - Card-free loyalty rewards capability
- ...and a whole lot more!

# Upgrade what you offer

## Current websites ...

- List your products
- in a nationwide database
- and upgrade your website
- within minutes to offer
- product search and
- local ordering capability

## Business directories ...

- Upgrade your listing into
- a portal for your products
- that allows consumers to
- not only find your business
- but also place local orders
- and schedule appointments

## Loyalty rewards ...

- Instantly offer customers
- your own loyalty rewards
- or a community wide program
- to earn and redeem points
- on online and offline purchases
- without requiring any card

## Local Coupons ...

- Offer customers the choice
- to redeem local coupons
- instantly, online, anytime,
- in a seamless manner
- that blends into their normal
- online shopping experience
