

Epicure Digital NutriSchool™

The cure for the menu boredSM

THE EPICURE DIGITAL NUTRISCHOOL SYSTEM

Display daily menus, nutritional data and labels, and allergen alerts. Along with multimedia educational and school messages.

On classroom smart boards, on district and school websites, and on menu boards in the cafeteria.

NutriSchool menus are designed to inform, engage and encourage student participation in breakfast and lunch programs.

EPICURE DIGITAL SYSTEMS

Epicure Digital is a digital menu board company that creates complete digital signage solutions for the food service industry. Our core strengths are menu engineering and design, nutritional menu labeling, and content creation. Our core product is the Epicure Digital Menu System. It lets operators control their digital signage on websites, in cafeterias and other locations easily and quickly online.
