PORTLAND MARRIOTT DOWNTOWN WATERFRONT RESTAURANT RECOGNIZED BY FOOD & WINE.COM

Premier downtown Portland hotel received special commendation for on-site Truss Restaurant

Portland, OR – Pull up a chair, pick up a fork and dive into a culinary adventure at Truss Restaurant, located in the [Portland Marriott Downtown Waterfront Hotel](#), which boasts some of the best food for Portland Waterfront dining.

FoodandWine.com recently named their [best hotel restaurants](#) in the United States, and the Portland

hotel's Truss Restaurant received top honors. The recently renovated Portland restaurant features a showcase menu that surveys regional favorites and celebrates the bounty of the Pacific Northwest. Truss has become a favorite for locals and guests and now has received national recognition.

The exclusive list recognized just 18 hotel restaurants. Receiving such a commendation is a high honor for the Portland hotel.

"To be mentioned among restaurants like J Parker at Hotel Lincoln in Chicago, Wolfgang Puck at the Hotel Bel Air in Los Angeles and Parallel 37 at the Ritz-Carlton in San Francisco, is an incredible achievement," said Bernard Hamburger, Director of Hotel Operations at the Portland Marriott Downtown Waterfront Hotel. "This is a great recognition for our Food and Beverage teams under the culinary direction of our Executive Chef Andy Arndt, Trudi Hanson's Front of House leadership and the great effort of our managers, leaders and, of course, our wonderful and dedicated associates."

While the menu at [Truss](#) is diverse and features something for everyone, favorites include smoked BBQ pulled pork sliders with polenta fries, wild Oregon salmon with horseradish mashed potatoes, and the signature Truss Burger with pulled BBQ pork, fried egg, tomato jam and smoky bacon. An impressive selection of local brews also creates a casual feel, but make no mistake about it: the food offers complex flavors and a rich culinary experience that makes this Portland Waterfront restaurant a place to remember.
