

Omni Cheer, an Online Cheer Apparel Provider, Sponsors the Wish List Come True Contest for the Holidays

Omni Cheer is hosting a sweepstakes through the wish list feature on their website and offering the grand prize winner a \$100 cheer gear shopping spree. Entries are now being accepted, through December 9, 2012.

San Diego, CA ([PRWEB](#)) November 05, 2012 -- Omni Cheer®, a leading cheerleading apparel company, announced today that they are now accepting entries for a 'Wish List Come True' sweepstakes that is running on their website. The contest is open to anyone that has or registers an [account with OmniCheer.com](#), and offers a grand prize of \$100 toward a purchase of cheerleading gear from the online store.

Omni Cheer is asking that its customers create and share a wish list of all the cheerleading apparel, shoes, bags and accessories that they would like to add to their cheerleading closet. The winner of the contest will be based on a random drawing from all entries.

"This is a really fun opportunity for our customers to familiarize themselves with the valuable tools that our website offers, while creating a reference guide for cheer gift buying and receiving this holiday season," commented Kevin Oskow, web director at Omni Cheer.

Omni Cheer is offering a Dream Cheer Closet grand prize of \$100 for their online store, and a \$50 Forever a Dreamer prize to the runner up. They will also randomly select 5 Little Wishes winners to receive a cheer item for their collection.

Entries will be accepted until midnight (PST) on Sunday, December 9, 2012. All of the entries will be included in a random drawing, and winners will be announced in December 2012.

"This contest gives our customers a chance to receive some extra spending funds that they can use to purchase cheer items for their daughter, coach, captain or teammates – just in time for the holidays," said Jessica Rzeszut, Omni Cheer marketing manager.

Details, instructions and contest rules are available on the [official Omni Cheer Facebook page](#).
