

## NEWS RELEASE

### ISL RECRUITMENT

#### NOTE FOR EDITORS

Incite Solutions was founded in 2007 by two experienced recruitment consultants. It has grown consistently since then and expanded into larger offices on an annual basis. Its most recent move, to 10 Victoria Street, provides ample space and opportunity for ISL to continue with their ambitious growth plans across a range of markets and industries.

ISL specialise in the recruitment of experienced professionals across sales and marketing, project management, IT and operations in the following sectors: financial services; technology; retail; engineering; public sector.
