

Hostgator Releases Cyber Monday 2012 Sale - 50% - 90% Off Promotion - Only One Day

Hostgator, the front-runner in the web hosting industry, has just declared the Cyber Monday 2012 discount offers. As it turns out, at Hostgator, Cyber Monday 2012 will be a massive sales day, with flat 50% discount on all hosting packages & 90% Off on Domain names. After the huge success of their Hostgator Black Friday sale, they are all set to break sales records with a stellar 50% discount offer, yet again. For those who missed out on the 50% off Black Friday discount, here is a second opportunity to lock in the discounts. The Hostgator Cyber Monday 2012 promotion will run on 26th November 2012 just for 24 hours from 12:00AM to 11:59PM Central Standard Time (CST).

The 50% discount applies to all types of hosting packages offered by Hostgator including shared, reseller, VPS and dedicated server hosting, and will be applicable to the first invoice of the customers. Visitors do not need to enter any special coupon code to avail the discounts & the discounted prices are pre-activated through this <http://hostgatorvoucher.info>

Hostgator has a huge client base that runs into millions, and therefore has designed a wide range of hosting plans to cater to needs of different individuals and businesses. They provide 3 types of shared hosting packages:

1. Hatchling Plan - This plan is for starters and allows one to host a single website. It is regularly priced at \$3.96 a month (for a 3 year term), but is now available at \$1.98 a month with Hostgator Cyber Monday 2012 50% discount deal.
2. Baby Plan - This plan allows one to host any number of websites on a single hosting account, and is available at a price of \$6.36 per month (for 3 year contract). The customers can now buy this plan for a reduced amount of \$3.18/month in the Hostgator Cyber Monday 2012 Sale.
3. Business Plan - This plan is for enterprises and includes several great features and comes at a price point of \$10.36 a month (for 3 year term). The incomparable 50% reduction now entitles customers to this plan at a cost of just \$5.18 per month.

The reduced prices for Hostgator Reseller, VPS and dedicated hosting are as below:

Hostgator Reseller Hosting: Now Only \$12.48/month

Hostgator VPS Hosting: Now Only \$9.98/month (Discount applicable for 1st month only)

Hostgator Dedicated Hosting: Now Only \$87/month (Discount applicable for 1st month only)

Customers can lock in the 50% off discounted prices here:
