

JESSI TEICH/PRESS KIT

Award winning singer, composer, musician, performer, and Berklee College of Music graduate, Jessi Teich was immersed in a world of jazz and blues from the very beginning.

The Philly-based native masterfully mixes jazz sophistication, blues grit, and soul's tragic romance. She's cultivated an edgy-but-elegant aesthetic that fluidly seeps into her music and fashion sensibilities. She's garnered favorable comparisons to Ella Fitzgerald, Sade, Amy Winehouse, Kimbra, Alicia Keys, and Sarah Vaughn. "The Mic Check" – The Purveyor of Truth has said "Jessi Teich is an old Blues, Jazz, and Soul singer trapped in a 20 something year old woman's body."
