**YOUR  
PROFESSIONAL  
TEAM OF  
WEB EXPERTS**

## WHO WE ARE

TECKpert is a Miami-based web development & online marketing firm focusing on building user engagement through dynamic, **web-based solutions**. We make sure our clients stay ahead of the technological curve and provide **expert** solutions for your business.

Through custom-created websites, software applications, mobile integration and specifically tailored online services we are able to provide your business the platform it needs to not only **succeed** but to **excel**.

"The team at TECKpert is extremely professional and talented."

Uni K Wax Centers

"TECKpert has amplified our exposure, while strengthening our marketing efforts"

13th Floor Investments

"I trust TECKpert 100% with regards to completing work for my company."

EyeTraffic Media

"We gave them the concept and then they brought it to life."

Key International

"I highly recommend using TECKpert. They stay within budget and hit their timelines."
