About Wentworth By the Sea Hotel & Spa

A Marriott Hotel & Spa, the [Wentworth By the Sea](#) commands the island of New Castle, New Hampshire's oldest settlement, next to the Distinctive Destination® of Portsmouth and overlooking the Atlantic Ocean. The perfect destination for a romantic getaway, family vacation or group, Wentworth by the Sea is just an hour north of Boston with easy access from I-95 and Manchester, NH or Boston airports. The 161 guestrooms and suites blend historic elegance with 21st century convenience. Each guestroom has a water view and conveys the authentic New England sense of place for which the resort has earned its sterling reputation. Meetings, conferences and events appreciate the 10,000 sq. feet of flexible space including the original Grand Ballroom (a 4,000 sq. ft, accommodating 400 people) and the Treaty Boardroom.

The hotel reopened in 2003 following a \$30 million restoration that added the 10,000 sq ft Spa at Wentworth. Intimate restaurants with imaginative cuisine, indoor and outdoor pools, nearby ocean beach, fitness and business centers, WiFi and an unwavering commitment to guest service make Wentworth By the Sea one of the great resort hotels of New Hampshire, New England and the world.
