PROVO HOTEL ANNOUNCES COMPLETION OF NEW RESTAURANT AND LOUNGE

The Provo Marriott Hotel & Conference Center unveils a new restaurant experience for guests and locals alike.

Provo, UT – Travelers and locals alike have a new place to experience exceptional cuisine and a warm environment conducive to friendly conversation and merriment — all at the [Provo Marriott Hotel & Convention Center's](#) new restaurant and lounge.

The hotel in Provo is proud to announce the opening of [Slate](#), a contemporary restaurant and lounge that incorporates the natural beauty of Utah with the best in dining. Like the hotel around it, this new Provo establishment creates a welcoming atmosphere that brings people together.

Drawing inspiration from the majestic Wasatch Mountains that hug Provo, Slate's décor revolves around warm neutral tones and natural materials that provide the perfect setting for lively conversation between friends, family and associates. The menu reflects the area's vibrancy with locally sourced selections which are transformed by the chef into a comfortable blend of classic American grill items with a western accent. Choose from a wide variety of bold, freshly prepared dishes including tea-time Mountain Scones made with local honey butter and house-made raspberry jam, house-smoked Idaho Red Trout Salad, house-made Chips with Smoked Bacon Cheddar Dip and a Free Range Bison Burger topped with Pastrami, Provolone and Horseradish.

Slate is open seven days a week. Breakfast is served from 6:30 a.m. until 10:30 a.m. on weekdays and until 11 a.m. on weekends. Lunch is served until 2 p.m., and dinner is available from 5 p.m. until 10 p.m.

Diners will enjoy Slate's selection of local craft beers, plus an extensive list of wines by the glass. Slate's lounge, where patrons can imbibe on classic cocktails mixed by knowledgeable bartenders, is an open and comfortable area featuring four flat-screen televisions tuned to seasonal sports and events. The lounge is open from 5 p.m. until midnight every day. (Under 21 not permitted in the lounge area.)

The hotel also offers a casual Café offering fresh-brewed Starbucks coffee, hot chocolate and smoothies as well as fresh-baked goods and other grab-n-go foods. The hours are 6 a.m. to 5 p.m.

Great food has always brought people together, and the Marriott Provo hotel's newest Slate restaurant embodies that idea. Experience the delicious food and warm environment for yourself. For more information, visit www.marriott.com/SLCVO
