

An Insurance Policy That Works As Hard As Your Dental Practice...

Quality, Comprehensive Dental Practice Insurance

Since 1969, the Professional Protector Plan for Dentists is the first and largest practice protection program for dentists. Designed by dentists for dentists, the PPP understands the risk you face and what you need to protect yourself and your practice.

The PPP continuously provides quality service to over 33,000 dentists nationwide, including District of Columbia, Puerto Rico and Virgin Islands.

We take pride in our partnerships with the dental associations and are currently considered the preferred program in 19 states.

The Professional Protector Plan® is unique in a number of areas:

- Financial Stability
"A" rated (Excellent) for the last 75 years.
- Claims-Made and Occurrence
Up to \$5m/\$5m claims-made and \$2m/\$6m occurrence.
- Worldwide Coverage
- Coverage for all dental specialties
- Full consent to settle
- Automatic defense coverage up to professional liability limits
- Association membership not required
- \$50 first-year claims-made policy \$1m/\$3m limits
- 7.5% risk management credit for 3 years on professional liability portion of policy after successfully completing a CNA risk management course.
