

FOR IMMEDIATE RELEASE

Fluance® XL Family is Here - New Five-Speaker Surround Sound System Now Available

The Fluance XLHTB High Performance Speaker System drives serious performance into the homes of audio enthusiasts at \$799.99

NIAGARA FALLS, ON, (December 5, 2012) – [Fluance](#) has revealed the latest addition to its XL Series with a complete home theater system, the XLHTB High Performance Speaker System. The five speaker surround sound system is comprised of the XL7C center channel speaker, two XL7S surround sound speakers and two XL7F floorstanding loudspeakers, currently selling for \$799.99 with free shipping and a full lifetime parts and labor warranty.

The [Fluance XL Series home theater speaker system](#) has been designed to maximize the high quality sound reproduced using premium components only found in all Fluance products. Crafted using MDF wood and featuring a sleek mahogany finish, the XLHTB ensures the acoustic image remains free from cabinet vibration and is distortion-free. “The XL Series is any audio enthusiast’s dream come true,” says Deepak Jain, President of Fluance. “The five speaker system performs flawlessly at the highest levels imaginable, and at a price that is unheard of in the home theater category.” Fluance’s XL7F floorstanding loudspeakers have gained memorable attention from the home theater industry, coming highly recommended from industry experts at *Audioholics*, *SoundStage Network (Reviewers’ Choice)* and *TechnologyTell.com*.

In addition to the unique features of the XL Series home theater speaker system, the XL7F floorstanding loudspeakers house an eight-inch down-firing subwoofer for a durable, reliable and controlled low-frequency response. “The XL7F’s built-in subwoofer is truly amazing. It is important Fluance provides customers with full range sound for an optimal home theater experience. The down-firing subwoofers in the XL7F speakers are a perfect example of Fluance’s continued commitment towards serious performance.” says Jain.

The Fluance XLHTB 5 Speaker Surround Sound System is available for direct sale on [Fluance.com](#) for \$799.99.

About Fluance

Fluance is a North American based speaker brand that produces high-end home theater systems. Established in 1997 and based in Niagara Falls, Ontario, it markets to both USA and Canada. Known for Serious Performance, Fluance prides itself on pushing cutting-edge technology to its limits based on five key aspects: Sound Quality, Solid Construction, Performance, Style, and Value while using only premium components in the construction of its speaker systems. Fluance encourages its customers to buy direct so they can provide their products at a price point well below those of its main competitors. Fluance Speakers can be purchased directly at [www.Fluance.com](#).
