Comments on the News

- “Health Mart is a strong and respected brand in independent pharmacies across the country,” said Paul Hueseman, PharmD, owner of Greentree Health Mart Pharmacy. “We have adopted the Health Mart look to better reflect our promise to our customers: You can trust your local Health Mart pharmacist to understand your family’s special healthcare needs, to give you expert advice, and to offer personalized service.”

Founded in 2012, Greentree Pharmacy, located at 301 S. Kirkwood Road, is the only locally-owned pharmacy in Kirkwood. Greentree Pharmacy provides healthcare services such as home delivery, walk-out prescription service, medication reviews, diabetic & orthotic shoes, immunizations, and a weight management program, just to name a few.

About Health Mart

Health Mart pharmacies are locally-owned community pharmacies, offering the special care and service that people can only receive from a member of a community, including:

- Plan acceptance — Health Mart Pharmacies accept most insurance plans at the same co-pay as national chains.
- Everyday savings — Health Mart pharmacies offer competitive pricing that is often lower than the national chains.
- Health and wellness — Health Mart’s comprehensive online Health and Wellness Education Center offers practical information on important health topics. Visit www.healthmart.com for more information.
- Service — Health Mart pharmacists go above and beyond, striving to make a difference in the lives of patients and their families.
- Everyday convenience — Health Mart pharmacies serve customers quickly and efficiently.
- Quality products — Health Mart pharmacies offer a store brand line of products created with patients needs in mind that deliver the same high quality expected from your Health Mart pharmacy, which are just as effective as national brands for less cost.
