

Asia's First Socially Networked Investing Service

Powerful. Fast. Simple.

8 Securities was born from a mission to empower individual investors and reinvent the way people trade. Through a personalized Trading Portal, we give our customers global trading, market data & research and a private social network on a single dashboard. A totally transparent and real-time peer to peer exchange of ideas and trading on one screen.

The 8 Securities Advantage

- Trade over 15,000 US & HK stocks and exchange traded funds
- A private social network to share investing ideas and trading on one screen
- Personalize your very own Trading Portal with professional research and tools
- Best combination of pricing for US & HK stocks. 50% cheaper than the banks
- Available in English, Traditional Chinese, Simplified Chinese and Japanese
- Seamless PC and mobile experience
