SpringHill Suites Naples Hotel Serves as Pit Stop for Charity Drive

Hotel in Naples, FL, welcomes drivers raising money for Old Seven Mile Bridge restoration project.

Naples, FL – On January 25, a line of Smart cars will be making a trek from Tampa to Marathon, FL, to raise money for the restoration of Old Seven Mile Bridge. Those looking for the “smart” place to make a pit stop during the two-day charity drive should take note of the [SpringHill Suites Naples Hotel](#). Located roughly halfway between the starting point and finish line, the hotel in Naples welcomes those driving for such an admirable cause with spacious guest rooms and thoughtful amenities.

Built in the early 1900s, the Old Seven Mile Bridge connected the Florida Keys to the mainland and was known as the Eighth Wonder of the World by many. The engineering marvel overcame a number of obstacles that would

challenge designers of today. After its improbable completion, the bridge brought a renaissance period to the bustling ports of Key West. Today, the bridge has fallen into disrepair, but a dedicated group of enthusiasts are attempting to preserve the historical landmark that shaped the landscape of this area of Florida.

The “Give Back Tour” invites drivers to make the trip from Tampa to Marathon, FL, all while raising money from sponsors and organizations. All proceeds support the [Friends of Old Seven](#), which is a well-known 501(c) 3 organization that pays for the upkeep of Old Seven Mile Bridge.

Along the nearly 400 mile trip, drivers will need to fuel up their cars and spirits. The SpringHill Suites Naples hotel offers up the perfect suggestion: Complimentary Suite Seasons Breakfast® buffet gives drivers the boost they need to complete their trip, while plush beds provide much needed comfort after spending all day in the car. Those drivers who need to stretch their legs more can do so at the 24-hour fitness center or by taking a dip in the outdoor pool.

Drivers raising money for the Old Seven Mile Bridge should [book their stay](#) today at one of the leading hotels in Naples. For those interested in joining the race, visit <http://www.smartusainsider.com/events/west-florida-keys-drive>
