

A non-profit dedicated to providing quality afterschool and summer programs for youth in the Charles County and D.C. metro areas.

Background

Future Next Corp, also known as FNC, is recognized by the Internal Revenue Service as a tax exempt 501(c)(3) nonprofit organization. We are headquartered in Charles County, Maryland and most commonly known for providing unique year around tutorial and enrichment programs to the area's most vulnerable youth.

Vision

FNC creates a safe, fun, and nurturing environment at the most crucial hours when children are most vulnerable: after school and in the summer months. FNC encourages and supports children and teens' academic levels, self-esteem, confidence, self expression, and leadership skills through interactive and entertaining programs. Our desire is that we will play a role in encouraging youth development both inside and outside the classroom so they may overcome obstacles and environments to fulfill personal goals and graduate from high school and move on to earning a higher education degree.
