DIABSOLUT ACQUIRES LEADING RECRUITMENT SOLUTIONS AGENCY PRECISION SYSTEMS GROUP

Acquisition Augments Diabsolut's Portfolio of Offerings to include Project & Contract Resourcing solutions

BEACONSFIELD, QUEBEC, CANADA – DECEMBER 17TH, 2012 – Diabsolut Inc., a Strategic Workforce Management and Business Solutions Provider today announces the acquisition of Precision Systems Group (PSG), a leading Canadian Recruiting Solutions organization.

Under the terms of the agreement, PSG's entire operations will be consolidated into the Diabsolut services portfolio effective January 1st, 2013 as Project & Contract Resourcing, mainly focused on IT contract recruiting.

Diabsolut Inc. serves a broad range of mid-market and enterprise companies within the following industries: telecom, utilities, medical devices, home automation & security and more. Located in Toronto, PSG is staffed by experienced recruiters with Fortune 500 clients across North America, as well as dynamic young businesses in financial Services, Technology and Public Sectors.

"The addition of the strategic hiring solutions practice will add to our increasingly rich portfolio of services. Our customers will now be able to work with us directly for all consulting and business practice engagements, including contract-based expertise in their staffing choices." said Joe Diab, President and CEO of Diabsolut. "The integration of PSG with Diabsolut will allow us to optimize our business for increased efficiency benefiting our clients".
