COURTYARD IN MIAMISBURG, OHIO, COMPLETES A MAJOR LOBBY RENOVATION

New Design Features High Tech GoBoard®, Flexible Work and Social Spaces and a 24/7 Food and Beverage Market

Miamisburg, OH – January 5, 2013 – Marriott International Inc. (NYSE:MAR) announced that the 146-room [Courtyard by Marriott Dayton South/Mall](#) at 100 Prestige Place in Miamisburg, Ohio, has completed a major renovation of its lobby. The Miamisburg hotel now features the brand's new Refreshing Business lobby concept designed to give travelers the flexibility to work and socialize however they choose while on the road.

"From day one, Courtyard has prided itself as a brand that listens to what travelers want from a hotel," said Janis Milham, vice president, Global Brand Manager, Courtyard by Marriott. "Guests want more control and choice with services and amenities that create a healthy balance between working and relaxing. We redefined the Courtyard lobby so it invites guests to get out of their rooms to work, socialize or for entertainment, whether traveling alone or with colleagues."

The open, bright and contemporary lobby at one of the newly-renovated [hotels near Wright Patterson AFB](#) welcomes guests with vivid contrasting colors including blue, green, orange and red. The traditional front desk is replaced with separate welcome pedestals to create more personal and private interactions when guests check in. This will allow staff to move about to show guests the lobby features and provide assistance. Flexible seating options range from a communal table in the middle of the action to more private media booths with high-definition televisions to a more intimate, semi-enclosed lounge area.

A signature element of the new lobby at the Miamisburg hotel is the exclusive GoBoard® technology, a 52-inch LCD touch screen packed with local information, maps, weather and news, business and sports headlines. Guests can navigate using the touch screen to find restaurants, local attractions and directions.

Guests can connect to free Wi-Fi, and there are ample electrical outlets throughout the lobby to power digital devices. The enlarged business library features several computer terminals along with a free printer and separate computer stations dedicated to printing airline boarding passes and checking flight statuses.

Dining at one of the premier hotels near Miamisburg, OH, has been completely redesigned with [The Bistro](#) – Eat. Drink. Connect. - offering casual, flexible seating; easier access to food and higher quality, healthier menu options for breakfast; and light evening fare including snacks, wine and beer so guests can unwind. The Market™, a 24/7 shop for snacks, beverages and sundries, is always open for late-night cravings or the toothpaste guests forgot to pack.

Green has been Courtyard's signature color since Marriott launched the brand 25 years ago. Now it is even greener with the introduction of a guest recycling program for the environment. Receptacles for paper, glass, plastic and metal will be conveniently located by side exits of the Miamisburg hotel.
