**RELAX AT KUÖ SPA WITH COSTA RICA HOTEL'S LATEST TANTALIZING DEAL**  
*Package includes deluxe accommodations, 50-minute massage, breakfast for two and \$50 credit*

San Jose, Costa Rica – The [Costa Rica Marriott Hotel San Jose](#) can't wait to spill the beans on its latest deal that will have vacationers escaping from real life while saving a ton of dough.

The Costa Rica hotel's Escape! Spa Package affords guests plenty of peaceful time to stop and smell the roses – and taste the nation's fresh coffee beans – by providing deluxe accommodations for two starting at \$256 USD per night. The offer includes a 50-minute massage for two at Kuö Spa, breakfast for two at Antigua restaurant and a \$50 USD daily food and beverage credit. Up to two additional guests can pay \$15 USD each per night to take in the magnificent views of Costa Rica's Central Valley Mountains.

Just as the scent of freshly brewed java tantalizes the nose, the sweet sounds of serenity at the [spa in San Jose, Costa Rica](#), will soothe the minds and bodies of stressed travelers who are in need of a deep tissue, lymphatic or Kuö Signature massage. The spa in Costa Rica uses top-of-the-line Italian products such as Comfort and Davines to lull guests into a state of deep relaxation, while an extensive menu of body treatments such as the Costa Rican coffee scrub and re-mineralizing mud wrap will please the pickiest of guests. The knowledgeable and experienced staff will pamper spa guests with luxurious bathrobes and plush

slippers that also are available for purchase at the Spa Shop.

The calming environment in Kuö Spa's eight treatment rooms and coed relaxation areas is inspired by the fertile landscape that surrounds the local volcanoes. That natural feeling flows room to room – from the facility's wellness area with a whirlpool, sauna and steam room to the state-of-the-art fitness center with Technogym equipment and free weights.

Marriott employees will for sure hear exclamations of "cool beans!" when they discover the long list of [salon services available at Kuö Spa](#), including makeup applications, manicures, pedicures, restoration hair treatments and precision haircuts and highlights

After emerging from the private spa sanctuary in a state of pure calmness, visitors can retreat to one of 290 modern rooms with contemporary and colonial touches. Designer duvets, fluffy pillows and cotton-rich linens on comfortable plush mattresses await the unwound visitor. High-speed Internet, spacious desks with ergonomic chairs, international cable TV, in-room safes, mini bars and coffee makers are among high-end amenities guests can expect from the luxury hotel.

The wafting aroma of freshly brewed coffee beans will be one of the best parts of waking up at the Costa Rica Marriott Hotel San Jose. Guests will be able to indulge their senses of smell and taste as they take advantage of complimentary breakfast for two at Antigua restaurant, where Latin American cuisine surely will satisfy the taste buds of hungry vacationers.

To enjoy one of their most relaxing Costa Rica vacations, travelers should take advantage of the [Escape! Spa Package](#) now thorough Dec. 31 by using promotional code RXL when booking their reservations.
