## Five Star Homecare Now Offering Homecare Services in Boca Raton, Florida. It's your health, it's your choice.

### **For Immediate Release: Boca Raton, Florida, December 25, 2012.**

As a [home health agency](#), [Five Star Homecare](#) places caregivers into the home of patients. We are consumer oriented and aim to help patients stay in their homes for as long as possible by providing services along the homecare continuum of care including skilled nursing, physical and occupational therapy, speech therapy and home health aide services.

We are committed to providing high quality services by qualified staff in a manner that promotes quality of life, patient safety and customer satisfaction. It is our priority to meet the needs of our patients.

With a customer-driven focus we have reached out and will continue to reach out to our consumers including patients, healthcare professionals, and both professional and community-based organizations.

Five Star Homecare is strongly committed to ensuring that our customers receive the highest quality of care. Through our recruitment efforts we seek professionals who are uniquely qualified, who demonstrate a caring and compassionate nature. We seek to hire and train individuals that possess a proven record of leadership, compassion and an understanding that being a part of our team requires a commitment to our customer's needs.

Five Star Homecare is a focused, results-driven [home care agency](#). We seek the best candidates for the job by taking the time to understand our customer's needs and long term plans. We only select individuals who can perform and prosper within our company's culture. Our committed staff of caregivers assists patients in their recovery, from illness of chronic disease in the comfort of their own home and preventing [hospitalizations](#). This allows patients to feel more comfortable and secure. It also relieves the patient's family of the hardships of being full-time caregivers. Our clients have praised us for our personal touch and excellent service. Our focus is not to become the biggest home care agency in South Florida, but to become the home care agency that is known for placing its emphasis on quality, integrity, and customer satisfaction.

Five Star Homecare actively seeks to recruit and train the most highly [qualified nurses, caregivers, clinicians and administrative staff persons](#). We realize that our success is based entirely on the employees that work for us and how successful we are at meeting the needs of our clients and customers. We invest the time and resources necessary to help our team reach their personal objectives and career goals.

We seek to hire and train individuals that possess a proven record of leadership, compassion and an understanding that being a part of our team requires a commitment to our customer's needs. We provide opportunities for training and leadership. We strive to motivate and retain team members who demonstrate exceptional character, talent, trustworthiness and who have a passion for their career.

If you're a [healthcare professional](#) looking for a caring, family-oriented company where you can thrive, then we'd like to hear from you! Finding the right healthcare team— the one that best matches your personal style and professional goals – can change your whole life for the better.
