

A red barn with a brown shingled roof and white trim. The barn has a pair of green double doors with black hardware and a large multi-paned window. A white picket fence runs along the side of the barn. In the foreground, there is a garden with a wooden table and four chairs, a large wooden wheel, and various plants and flowers. The word "Imagine" is written in a large, white, cursive font across the top of the image.

# "Imagine..."

*Imagine* your backyard complete with a storage shed from the following pages. Each shed from the *Imagine* shed series will enhance the usefulness and beauty of your property and add value to your real estate.

Purchase a building from the *Imagine* series and create a dream backyard space. Every building comes with standard features specific to that line of shed but can be built to your specifications. The *Imagine* storage sheds are truly custom built to meet any number of specific needs.

Begin to *Imagine* by choosing the specific storage shed Line for your particular need. Then take a look at the various roof designs available within that shed line. After that, choose the options to make your imaginations become a reality. And lastly, choose the paint or vinyl siding colors, trim colors and shingle colors to match your home.

Questions? Please feel free to contact one of our professional sales representatives to have the important questions answered before purchasing the building you have *Imagined* for your backyard
