

Headquartered in Dallas, TX, PNT operates a national network of Registered Dietitian/Nutritionists and Dietetic Technicians Registered, which deliver nutrition solutions including Medical Nutrition Therapy (MNT), Health coaching, biometric screenings and much more.

Members of the PNT national network are vetted and can participate if they meet certain criteria of experience, licensure and accreditation.

An exclusive sub-network of PNT's national network include

1. The PNT VIP Network- a smaller network of dietitians that have access to PNT programs and benefits
2. The DCN-a smaller network of dietitians that are specially trained to service nutrition support accounts.

For more information on how to harness the capabilities and reach of PNT's national network, contact Martha McHenry or Carol Ireton-Jones at 972-238-1811 or at the emails below:
