FIVE BORO MOLD SPECIALIST

can save your home and restore
your family to a healthy and safe
environment!

We have over a decade of experience
in remediation and water damage
prevention for NYC's five boroughs
and the metropolitan area. We use state
of the art equipment, special toxic cleansing
gear and EPA-registered chemicals to rid your
property of health-threatening Toxic Mold.

Our highly experienced staff is professionally
trained and dedicated to providing premium
service. In fact, Five Boro Mold Specialist is so
confident in our work that we offer our trade-
mark satisfaction guarantee on all our work
to effectively rid your home from all mold-
related problems. It's no wonder Five Boro has
a reputation as NYC's pioneer and leader in
effective mold removal and remediation.

MOLD FACTS:

"One study attributes nearly 100% of chronic
sinus infection to mold" —USA WEEKEND 1999

"Toxin-produced mold can cause cancer"
—TIME MAGAZINE

"Mold litigation will surpass asbestos in terms
of case and volume" —AMERICAN BAR ASSOCIATION

"Toxic molds are a cause for an alarming
number of illnesses and asthma related to
children. IOM (Institute of Medicine) concludes
that there is sufficient evidence of an
association between exposure to mold and
exacerbations of asthma." —STEPHEN REDD, M.D.
