Courtyard Toledo Airport Holland Hotel Takes Off With \$1 Million Makeover

Toledo airport hotel's lobby adds The Bistro, popular GoBoard; guest rooms receive new furniture and bedding; meeting rooms re-carpeted

Holland, OH – A \$1 million makeover at the [Courtyard Toledo Airport Holland](#) will have visitors shouting “Holy Toledo!” when they see the transformation.

The Holland, Ohio, hotel's complete renovation to its lobby, meeting and guest rooms, and outdoor areas emphasizes Marriott's commitment to providing comfortable and flexible areas for guests to eat, drink, work, socialize and sleep.

From the moment travelers land in the Toledo airport hotel's reimagined lobby they will see and feel the effects of the remodel project. Knowledgeable and courteous staff members promptly greet guests from welcome pedestals that have replaced the traditional front desk, allowing one-on-one interaction during the check-in and check-out processes. Strategically placed

media pods along the perimeter of the new welcome center provide guests with comfortable seating areas where they can enjoy their favorite TV shows on flat-screen TVs. Guests can also take advantage of the hotel's complimentary Wi-Fi. A 52-inch interactive GoBoard displays local and national weather forecasts as well as driving directions, latest flight information, and information about things to do in Holland, Toledo and the surrounding areas. A separate nook known as the Boarding Pass Station houses computers and printers for visitors to print their boarding passes for convenient traveling.

The exclamation point of the lobby remodel is the addition of The Bistro. The casual café-style restaurant raises the standard for morning and evening meals with menus featuring thick-cut French toast, fresh seasonal fruits, burgers, pizzas, salads and sandwiches made to order. The eatery sports a large communal table where families or small groups of businesses professionals can gather for a hearty breakfast or dinner. Comfortable bar and table seating can be occupied to enjoy freshly brewed Starbucks drinks including hot or iced grande-sized caffè latte, cappuccino, caffè mocha, caramel macchiato, caffè Americano, espresso, white chocolate mocha, Tazo Chai tea latte or Tazo tea; a number of craft, domestic and imported beers; or custom-concocted cocktails whipped up by a friendly bartender. Multiple flat-screened TVs throughout the space display news, entertainment and sports programming.

Guest rooms received great attention as well during the renovation. Each of the [Holland, Ohio, hotel's](#) 137 rooms and 12 suites received new carpet, furniture, fixtures and bedding that now features custom duvets, cotton-rich linens, down comforters and plenty of fluffy pillows. Mini-refrigerators also were added to a list of other amenities that include free high-speed Internet, comfortable pull-out sofa beds, in-room coffeemakers, large desks with ergonomic chairs, irons and ironing boards, 37-inch flat-screen TVs with premium movie channels and Paul Mitchell products in bathrooms.

The hotel's two meeting rooms with 1,250 square feet of space received new carpet and vinyl surfaces, and new furniture was added to outdoor areas to round out the remodel project.
