I am making a commitment to myself to own my issues with procrastinating and learn to finish the projects I start so I can create a more successful business. I know I have it in me to do this, but before I can get started, I need to address the reasons why I am standing in my own way. Here's the real deal:

I realize that I will not be easy to change these habits, but my desire to be successful is stronger than my desire to stay in my comfort zone. I'm going to take full advantage of the resources available to me, including help from Sydni, to develop new habits and live up to my potential. 2013 is going to be my best year yet! I'll start by registering for the [FREE webinar on Jan. 17th on "How to Finish What I Start and Achieve My Goals!"](#)
