

Concrete Polishing Training

One Day Action Packed Seminar

DIVERSIFY YOUR BUSINESS TODAY WITH XTREME POLISHING SYSTEMS

Dear Patron,

Learn the art of taking standard grey concrete floors and turning them into a dramatic piece of art. You are invited to join us at our semi-annual polishing concrete seminar. Full hands on training by industry experts. This step by step training will give you the basic skills and knowledge of providing a completed floor project from start to finish. Become a leader in this fast growing and highly profitable industry. Our team will teach you how to become a successful entrepreneur in polishing concrete floors.

- Color techniques with acid stains & dyes
- Dye'n'Seal application, interior/exterior
- Concrete densifying (hardening)
- Concrete Cutting with diamond blades
- Self leveling concrete with Rapid-Set
- Logo applications
