

## Q ARE YOU A WOMAN WHO HAS RECURRENT BATTLES WITH VAGINAL HEALTH?

**A** If you answered yes, then during those times consider adding our RAW Probiotics Vaginal Care formula with clinically studied strains targeted just for this purpose. It's formulated with 50 billion LIVE active probiotics representing 38 different beneficial strains, blended with raw fruits, vegetables, enzymes, and probiotic rich kefir and yogurt.

### VAGINAL CARE:

- contains scientifically studied strains to support vaginal and urinary tract health.†
- is a whole food probiotic, including a unique yeast-digesting enzyme blend.
- is a once-daily, small vegetarian capsule.

## Q ARE YOU EXPERIENCING OCCASIONAL GAS, BLOATING, DIARRHEA OR CONSTIPATION? ARE YOU LOOKING FOR A PROBIOTIC TO SUPPORT BETTER, MORE FREQUENT AND COMFORTABLE BOWEL MOVEMENTS? DOES LIFE HAS YOU TEMPORARILY FOCUSED ON THE STATE OF YOUR COLON HEALTH?

**A** If you answered yes, then during those times, consider adding our RAW Probiotics Colon Care formula. If you haven't tried the remedy used for thousands of years to help your gut, then where have you been? Good bacteria is where colon health begins. It's formulated with 50 billion LIVE active probiotics representing 33 different beneficial strains, blended with raw fruits, vegetables, enzymes, and probiotic rich kefir and yogurt.

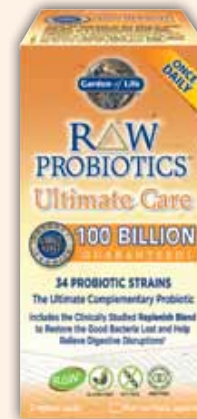

### COLON CARE:

- features 3 clinically studied strains to promote regular, healthy and comfortable movements.†
- is a high *bifido* formula including clinically studied strains to help relieve occasional GI distress.†
- provides 17 digestive enzymes to support healthy digestion and assimilation of nutrients.†
- is a once-daily, small vegetarian capsule.

## Q ARE YOU SOMEONE WHO SUFFERS WITH POOR COLON HEALTH AND DESIRES TO SHIFT THE POPULATION OF THE ECOSYSTEM TO HELP SUPPORT YOUR DIGESTIVE HEALTH AND IMMUNE SYSTEM OVER A 30-DAY TIMEFRAME?

**A** If you answered yes, then during those times, consider adding our RAW Probiotics Ultimate Care formula. It's formulated with 100 billion LIVE active probiotics representing 34 different beneficial strains—especially high in bifidobacterium—and blended with raw fruits, vegetables, enzymes and probiotic-rich kefir and yogurt.

### ULTIMATE CARE:

- is a high *bifido* formula including the clinically studied **Replenish Blend** featuring four clinically studied strains, making it your ultimate probiotic in times of challenge helping to repopulate your gastrointestinal tract with good bacteria.†
- includes a protein-digesting enzyme support blend.†
- is perfect after completion of a cleanse program or on the road when traveling.†
- is a once-daily, small vegetarian capsule.

## Q ARE YOU SOMEONE WHO HAS A FOCUSED DESIRE TO SUPPORT YOUR DIGESTIVE HEALTH AND IMMUNE SYSTEM OVER A FIVE-DAY TIMEFRAME?

**A** If you answered yes, then during those times, consider adding our RAW Probiotics 5-Day Max Care formula. It's a unique USDA Organic, mild powder probiotic with 400 billion LIVE active cultures representing 34 different beneficial strains, blended with raw fruits, vegetables and enzymes.

### 5-DAY MAX CARE:

- is a high *bifido* formula including the clinically studied **Replenish A to Z Blend** featuring four clinically studied strains, making it your ultimate complementary probiotic to achieve balance—helping to repopulate your gastrointestinal tract with good bacteria.†
- includes a broad-spectrum enzyme support blend.†
- is perfect after completion of a cleanse program or on the road when traveling.†
- is a once-daily, powder serving.
