EXTENDED BY POPULAR DEMAND!

## RECONNECTING FAMILIES

The Meadows is pleased to extend our special Family Week offer! We had an extraordinary number of families take advantage of our travel and lodging discount to attend Family Week over the holidays. The Meadows' Family Week is an integral part of the recovery process. We don't want any of our families to forego this experience due to financial obligations; therefore, we're extending this discount so families can take advantage of Family Week.

## FAMILY WEEK SPECIAL OFFER

Now through March 31, 2013, The Meadows is offering a discount to cover travel and lodging costs for two people to attend Family Week. We will also cover the patient's round trip travel costs to attend The Meadows' inpatient treatment.

- Total value of this offer is \$4,000!
- Offer is good for any admission from a new inquiry generated from January 15, 2013 or after.
- Discount will be deducted from the price of the patient's all-inclusive, inpatient stay.

***The Meadows' Family Week helps members bridge the gaps that have plagued the family system and encourages members to communicate and function in a healthy fashion. Don't miss this opportunity!***
