

COOLING SYSTEM

FLEETRANNER® HI-TEMP STRAIGHT COOLANT HOSE

GO WITH GREEN

FleetRunner®

**Introducing the FleetRunner
Hi-Temp Straight Coolant Hose**

You know the Gates FleetRunner family of heavy-duty solutions for their trusted performance and bright green color. Now you can get a durable straight coolant hose rated from -40°F to 300°F with the assured quality of Gates FleetRunner.

FLEETRANNER® HI-TEMP STRAIGHT COOLANT HOSE

Hi-Temp. Hi-Performance. Hi-Mileage.

Built to excel in the extreme conditions of modern heavy-duty engine compartments, FleetRunner Hi-Temp Straight Coolant Hose is the durable solution for extended use in heavy-duty trucks.

- > -40°F to 300°F temperature rating
- > Advance peroxide-cured EPDM rubber
- > Exceeds SAE 20R1 specifications
- > Resists electrochemical degradation
- > High working pressure rating

A Smarter Option

In high-temperature applications up to 300°F, FleetRunner Hi-Temp Straight Coolant Hose is a superior option to silicone hose. Not only is this hose less expensive, its water permeation rate is significantly less than silicone, leading to a substantial savings on coolant and a more environmentally friendly option.

Gates PowerGrip® SB Clamps

Use with FleetRunner Hi-Temp hose or silicone hose

- > Maintenance free, thermoplastic heat sensitive clamps retain dynamic tension
- > Never need retightening and conform to any shape
- > Eliminate cold water leaks even on out-of-round applications
- > Environmentally friendly by eliminating antifreeze leaks and ground water contamination

Easy to Fit

FleetRunner Hi-Temp Straight Coolant hose is packaged in 3-foot lengths with the cover marked in 1" increments for precise sizing.

Part No.	I.D. (in.)	O.D. (in.)	Working Pressure (psi)
24616	1	1.39	150
24620	1-1/4	1.64	150
24624	1-1/2	1.89	150
24628	1-3/4	2.14	150
24632	2	2.39	150
24636	2-1/4	2.64	125
24640	2-1/2	2.89	125
24644	2-3/4	3.14	125
24648	3	3.39	125

With over 100 years of experience, Gates products are trusted by professional technicians around the world.
