# Coming Soon - Regina's Newest Memory Care Community!

Caring for a loved one with Alzheimer's disease or other dementias can be overwhelming for the caregiver as well as the person with memory loss. Brightwater Senior Living of Riverbend understands when symptoms such as confusion, repetitive questions, and wandering occur. Knowing that your loved one is living in an active and cheerful community with specially trained staff in Alzheimer disease and other dementias will offer peace of mind.

Brightwater provides the finest memory care lifestyle option for seniors living with Alzheimer's disease and other dementias. The community offers the highest quality health services, a specialized **Connections** activities program and an exceptional dining experience all within a safe and secure environment. The private studio suites promote independence and comfort while the common areas encourage socialization. Visual prompting cues are thoughtfully designed and located throughout the community to help residents with orientation. Additionally, located throughout the common areas are retro life skill stations, which encourage involvement in familiar activities

of daily living. Residents will enjoy the secured garden area where they can take a stroll on roundabout walking paths or simply relax on the patio with friends.

Waitlist Reservations began October 1st. Suites are reserved in the order fully refundable deposits are received.
