

## **Experts Academy Elite Coaching: Review of Brendon Burchard's Program Released By WealthSpringMarketing.com**

*Summary: WealthSpringMarketing.com releases a review of Brendon Burchard's Experts Academy Elite Coaching which trains members to build a lucrative business sharing their knowledge.*

Brendon Burchard's Experts Academy Elite Coaching has reopened for limited registration creating a buzz of excitement throughout the online marketing community and drawing a review by WealthSpringMarketing.com's Tiffany Hendricks.

"Brendon Burchard's Experts Academy Elite Coaching only opens for registration is only being opened up for a short time, so we were eager to review the program for our audience and get the word out about what they can learn in Burchard's program," reports Hendricks. "many of our website visitor are seeking information on how to build a business based on their expertise, so we thought this program was something that they really needed to hear about."

The Experts Academy Elite Coaching program was created by New York Times best selling author Brendon Burchard. Burchard who is widely considered one of the world's top business and marketing trainers developed the course to help people turn their knowledge and expertise into highly lucrative careers and businesses through a variety of business models.

Hendricks asserts that The Experts Academy is more than just another course on internet marketing:

"While Burchard's elite coaching program does go into great detail on many high level internet marketing strategies, this is just one component of the course," says Hendricks. "The program is really a full step-by-step guide on exactly how to build a brand online, today. In addition to marketing strategies, Burchard shows members how to leverage multiple monetization models to become successful authors, speakers, coaches, seminar leaders and information marketers. He shows how to develop promotional partnerships, and how to build a real business that you can scale. It's a very comprehensive course."

The Experts Academy Elite Coaching program is available digitally online giving members instant access to the tutorial training videos hosted within the membership area as well as the "Ask Anything Forum" where members can receive answers to any questions directly from Burchard. DVDs and additional training material are shipped to customers.

"Burchard's Experts Academy Elite Coaching program is really the premier training program for people who want to make it big as highly sought after experts," says Hendricks. "The sorts of careers can be extremely lucrative, and many people recognize that being a highly paid speaker, coach, or information marketer is the best of both worlds because not only are they well paid, but they are also able to spread their message and help others. We are recommending Experts Academy Elite to our website visitors as an exceptional resource where they can learn from Burchard and his ensemble of top expert trainers."
