VT Group Announces New CEO

ARLINGTON, VA—VT Group (VT Services Inc.) today announced the appointment of Terry M. Ryan as CEO effective February 4, 2013. David J. Dacquino, the current CEO, is retiring.

Ryan most recently served as President and Chief Operating Officer of the Emerging Markets Group of ManTech International Corporation (“ManTech”). Prior to joining ManTech, Terry was Chairman and President of Mercury Federal Systems, Inc., and previously worked as an officer at SAIC, Inc., SRA International, Inc. and Adroit Systems Inc. Terry has more than 20 years of experience with the U.S. Department of Defense (DoD), U.S. Congress and Federal Government customers. As a senior executive in the Office of the Secretary of Defense, he was responsible for overseeing the modernization of airborne and space surveillance and reconnaissance systems from the mid-to-late-1990s. He also served as an infantry commander and intelligence officer with the United States Marine Corps for 10 years.

“I am thrilled with the opportunity to join VT Group as its CEO and build upon its excellent reputation and strengths, to provide our customers with the high quality services and solutions they require.” said Terry Ryan.

For more than 40 years, VT Group has specialized in providing engineering design and technical services and support to military, civil and commercial customers worldwide. Operations span to locations throughout the U.S. to forward operating locations. VT Group’s mission and values drive everything the company does and are the keys to its success, embodying the essence of the company and ensuring projects and services are delivered to a high standard, on time and on budget.
