

Real-Time & Easy-to-Use Video Management interface for End-Users

Who we are

Global Wholesaler of Cloud-based & SaaS TelePresence & Videoconferencing Management Interface with offices in The Americas, EMEA & Asia Pacific.

The Problem

Video Customers use multiple & complicated video management interfaces, many manual processes, no centralization of video endpoints & infrastructures, no simple scheduling & management for end-users, no customization or real-time reporting... Nothing is Easy for the end-users !

The Solution

MyEasyVision™ powered by G2J

Easy-to-Use Video Management Interface
No Software Download for End-Users & VNOC
Interoperable with Polycom CMA, DMA & RMX
Fully white-labelled available on any Browsers
Available on BYOD for iPad, iPhone & iPod
