

PETTIT IS GIVING BACK TO THOSE WHO GAVE SO MUCH AND GIVING YOU THE CHANCE TO SHOW YOUR TRUE COLORS

Join Pettit's SAIL FOR THE TROOPS program. For every gallon of Vivid High Performance Antifouling purchased between Sept. 1, 2012 and Oct. 31, 2013, Pettit will donate \$1.00 to the DAV.

Now, by using Vivid, the hardest, fastest, most colorful multi-season ablative antifouling you'll be helping our injured veterans. There are 24 bright colors to choose from, so you'll be expressing your support in the most Vivid of terms.
