Unlock 'Hidden Gems of Cambridge' with New Museum Package at Boston Marriott Cambridge

Families staying at this Cambridge hotel can take advantage of new offer which includes four tickets to the Harvard Museum of Natural History

Cambridge, MA – One of the premier [hotels in Cambridge](#) is inviting families to explore the Harvard Museum of Natural History with its latest deal.

Travelers coming to the Boston Marriott Cambridge can unlock the ["Hidden Gems of Cambridge"](#) with a unique family hotel package that includes four passes to the Harvard Museum of Natural History and overnight accommodations at this Harvard hotel.

Just minutes from this Cambridge hotel, the Harvard Museum of Natural History features the dazzling Mineral Hall, which showcases a stunning array of minerals and gems from around the world. Families will also discover specimens of every color, including a 1,600 pound amethyst geode. Touch and examine meteorites from outer space and learn about meteor impacts in an interactive video. The museum offers numerous additional exhibits, making it perfect for a family outing.

After a day at the museum, families will return to the Marriott [hotel near Harvard](#) for rest and relaxation. Home to 421 spacious guest rooms, this elegant Cambridge hotel features accommodations that find the perfect balance between luxury and comfort. Custom duvets adorn plush king or double beds, while a convenient Plug-in Panel and wireless Internet access keep guests connected. A great location near Logan Airport, North and South Stations and MBTA subway lines ensures that guests are never far from excitement.

Reserve the "Hidden Gems of Cambridge" hotel deal today and plan a family vacation to one of the best attractions near this Harvard hotel.

The "Hidden Gems of Cambridge" package is available Thursday through Sunday nights now through Sept. 30, 2013. Package rates range from \$149 to \$449 per room, per night. A limited number of rooms are available, and blackout dates may apply. The offer is not valid for groups of 10 or more rooms and cannot be combined with any other promotions. Advance purchase is required, and other restrictions may apply.

For reservations, visit www.MarriottCambridge.com or call 1-800-228-9290 and refer to promotional code CUE. For hotel information and reservations, call 1-617-494-6600 or visit www.MarriottCambridge.com.

About the Harvard Museum of Natural History

With a mission to enhance public understanding and appreciation of the natural world, the Harvard Museum of Natural History presents Harvard's natural history collections and research of scientists across the university. Its historic displays include an extensive collection of minerals and meteorites; fossil, taxidermy and jarred specimens; and the world-famous Blaschka "Glass Flowers." New and changing exhibitions highlight current science and address contemporary issues including climate change and new insights in evolutionary biology.

The museum offers a wide array of lectures, classes and programs for learners of all ages. With 180,000 annual visitors, the Harvard Museum of Natural History is the university's most visited museum. The Harvard Museum of Natural History is at 26 Oxford St. in Cambridge, MA, a six- to seven-minute walk from the Harvard Square T station. The museum is handicapped accessible. For general information, call 1-617-495-3045 or visit www.hmnh.harvard.edu.
