

MDSP DESIGNATION

DENTAL SLEEP MEDICINE MASTERSHIP PROGRAM BY ELITE DENTAL INSTITUTE

WHAT IS THE MDSP DESIGNATION?

A *Master Dental Sleep Physician* provides exceptional and comprehensive dental sleep medicine care through continued education, patient dedication, clinical integrity, and ongoing mastery.

WHO SHOULD APPLY?

The MDSP requirements are designed for those who are committed to treating patients in a collaborative and comprehensive manner, as part of an evidence-based medical model. If you are interested in becoming well respected as the “go-to” dental sleep physician in your area, the MDSP program is for you.
