

WackyPlanet.com, a leading internet retailer of Fun Gifts features the Boyfriend Pillow as part of Valentines Gift Section for 2013

There's nothing more comfortable to sleep on than the arms of good man, especially one that won't toss and turn, snore or display any other annoying habits.

The Boyfriend Pillow has a removable microfiber shirt that is machine washable and the pillow body measures 22 by 9-inch and the arm 36-inch -- big enough to protect his favorite gal.

We believe that romance is fun and we have a large section of Valentines Day Gifts and For Men and Women that are unique, funny and reasonably priced. Funny Aprons, Funny Boxer Shorts as well unique personalized pillow cases and coffee mugs are perennial favorites for Valentines Day.
