Between Part 1 and Part 2

Intensive Part 2 March 3-7, 2014

Monthly Consultation & Online Training

March 2014-2015

Are you...

An independent practitioner who wants DBT® Intensive Training?

But you don't have a consultation team?

You are not alone.

We are here to help.

Your goal

Build and maintain an effective DBT practice with an ongoing consultation team.

Our plan

- Match individuals to create DBT Consultation Teams
- Prepare you for Intensive Training via online Learning Communities
- Provide you with specialized 10-day DBT Intensive Training
- Support your team development through consultation and team-building activities
- Supplement your learning with online courses throughout the training
- Instruct you in DBT practice management and program administration
- Provide DBT expert consultation every step of the way
- Deliver training aligned with treatment developer Dr. Marsha Linehan
- Prepare you for certification through DBT-Linehan Board of Certification

The faculty who will get you there

Jennifer Sayrs, Ph.D., ABPP, Elizabeth Dexter-Mazza, Psy.D., André Ivanoff, MSW, Ph.D., Tony DuBose, Psy.D., Marsha M. Linehan, Ph.D., ABPP, Micah Adler, MBA, and other DBT experts.

BEHAVIORAL TECH, LLC

**Dialectical Behavior Therapy Team-Building Intensive™
Training for Independent Practitioners**

A comprehensive, two-year training program designed for independent practitioners to function as members of an ongoing, facilitated consultation team while learning to practice DBT to fidelity.
